Dear Pastor,

We had Chris Wineland perform at our State-wide youth conference. There were over 2,000 students in attendance and Chris had every single one of them laughing!

Chris is the example of why comedy is so valuable in church today. He has a natural ability to make people laugh, which can break down walls in even the hardest of hearts.

I believe that Chris will do an excellent job at your conference or event and will exceed your prayers and expectations.

God Bless,
Griffin McGrath
